Calgary Dragon Boat Society
#283, 328 Centre St. SE
Calgary, AB T2G 4X6

Dear Sirs:

RE: Recognition of the Calgary Dragon Boat Society

The City of Calgary is pleased to be able to recognize the recently formed Calgary Dragon Boat Society as the organizing body for planning and hosting of dragon boat races, cultural festivals and events to be held on the Glenmore Reservoir.

The Calgary Dragon Boat Society will be responsible for securing appropriate permits and approvals from The City of Calgary and for ensuring Dragon Boat activities meet City expectations with respect to safety and environmental considerations. The Calgary Dragon Boat Society is expected to work collaboratively with other groups that make use of the Reservoir and the surrounding park.

The City is an active supporter of The Society which will be governed by a community board that will follow best practices in board governance and be accountable to its members and the larger community.

With the formation of the Calgary Dragon Boat Society, we are looking forward to the return of Dragon Boats on the reservoir in 2010 and to re-establish the festival as an important part of Calgary's cultural vitality.

Yours truly

Kurt Hanson
Director, Recreation
